

ROBERT COY GIBSON

hello@coygibson.com | www.coygibson.com | linkedin.com/in/coygibson

Versatile operations leader with 8+ years' experience in higher education, nonprofits, and international business. Skilled in managing multimillion-dollar budgets, scaling programs to 140K+ participants, and leading cross-functional teams. Brings strategic planning, hands-on execution, and global experience across four countries, with strengths in stakeholder engagement, process optimization, and emerging technologies.

PROFESSIONAL EXPERIENCE

Finance & Operations Director and Chief of Staff

Anne Frank Center at the University of South Carolina | Sept 2021 - May 2025

-
- | | |
|------------------------|--|
| Operational Leadership | <ul style="list-style-type: none">• Co-founded and led cross-functional team to deliver 1000+ live programs in 40 U.S. states, reaching 140K+ participants within 3.5 years.• Served as unit HR contact, recruiting, onboarding, and managing 18 staff members, including job descriptions, interviews, salary planning, and performance reviews, under executive director oversight.• Organized and delivered a first-of-its-kind national event for 350+ attendees under budget and while maximizing goodwill among prospective donors and supporters. |
| <hr/> | |
| Financial Oversight | <ul style="list-style-type: none">• Spearheaded financial management for \$2.5M+ in funds, delivering actionable reports to C-suite leadership, including the university president, VPs, AVPs, and elected officials.• Analyzed financial systems and developed tailored reports for the executive director. |
| <hr/> | |
| Technology Solutions | <ul style="list-style-type: none">• Implemented an online ticketing and scheduling solution, saving \$96K annually compared to the proposed in-house system.• Self-taught and launched a new website, saving \$100K in design costs. Designed, built, and deployed annefrankcenter.com using Squarespace and GoDaddy.• Drafted the first internal SOPs using SharePoint, Slack, Excel, and Eventbrite, reducing manual effort and streamlining operations. |
-
